### Why Apply for Royal Institute for Chartered Engineers?

If you're interested in joining RICE, we'll have a membership type that's right for you. We'll also give you the advice and guidance you need to become professionally qualified and to move your career forward. As a RICE member, you'll get the resources to develop your knowledge and the support to build on your skills. You'll also become part of our global engineering community.

### Benefits of Membership

As a member of the Institution, you get advice, support, opportunities for training and development, as well as access to grants and our networking groups. You are also part of an internationally-recognised organisation that represents engineers in more than 140 countries. Being a member of RICE gives you a host of benefits to develop your knowledge and career. These range from free online events and webinars to over 90% off leading industry journals.
